

December 14, 2009

Dear Parent,

- The Christmas Program is Thursday night. Please have your child meet in the classroom at 6:45.
- This is a reminder that the third grade is leading the Advent Mass on Friday at 11:45. All are welcome to join.
- The January calendar will be posted on the website. This is a tentative schedule and dates could change.
- This is just a reminder that after the New Year, the Monday Folder newsletter will be available only on the 3rd grade class page of the St. Pius School website. www.stpiusschool.org
- As discussed at Back to School Night, erasable pens may be used after Christmas vacation.
- Also, it would be a great time to replenish school supplies like glue sticks, markers and crayons.
- When the students get back from Christmas vacation, they will no longer be able to use the multiplication table to help with math problems. Please help your child study and not take a break from this important skill. I would suggest setting aside ten minutes everyday to practice math facts.
- In the Monday Folder are worksheets for Advent and Science. Please use these to study for the tests.

Important Dates

Tuesday- Science Test- Chapter 6

Wednesday- Advent Test

Thursday- Christmas Program (meet in classroom (6:45)

Friday- Advent Mass- 11:45

Inside the Monday Folder

Listed Below is the work that should be in the Monday Folder from **Mrs. Langridge, Miss Costa, and any specialized teacher**. Any work that is not in the folder is missing.

- Spelling- pretest, p. 53-54, test
- Math- p. 165-166, 167-168, 169-170 171-172
- Reading- picture vocab, test-**Please sign and return**
- English- p. 45, 47-48
- Social Studies- test-**Please sign and return**
- Religion- Advent packet, p. 12
- Science- p. 222-223, 66, 77

* If your child scored a 100% on the spelling pretest, there will not be a spelling test in the folder.

Thank you for all your cooperation and have a wonderful Christmas,

Mrs. Langridge
