Dear Parents,

Inside the Monday Folder is the math test. It was clearly obvious to me that the students understood the concepts but were having trouble with the math facts. Because of this, I gave the students time in class to correct mistakes and I averaged the two scores. Please help them memorize the basic multiplication facts.

On Friday, the students will be hearing about our annual Walk-a-thon. Please look for the packets giving further information on this important fundraiser.

Important Dates

Tuesday- Social Studies Quiz- unit 3 lesson 1

Wednesday- Math Test- topic 9

Thursday- Religion Test- Chapter 14
