

January 19, 2010

Dear Parents,

Inside the Monday Folder are directions for a heart and hand project that we will be using for Catholic Schools Week. Please return no later than Monday.

In math, the students continue to work on division. Again, I am emphasizing to them the importance of memorizing multiplication facts.

In writing, the class is working on an essay for the CTN Catholic Schools Week Essay Contest. This assignment will be written in class but some students may have to finish recopying at home. Please keep a look out for these in your child's organizer.

Also, if you have any information that needs to be shared with the office, please send it to the office also. I may not be able to check my email regularly. The office email is office@stpiusschool.org
