Dear Parents,

I hope everyone enjoyed the long weekend. Tomorrow starts Lent and the third grade will be attending mass every Thursday morning. This is a correction from the newsletter on Friday. Please make sure your child is on time. Also, the school is collecting money for the Holy Childhood Association. Inside the Monday Folders are quarter cards. I suggested to the class that instead of just asking for quarters that they may try to do something that they normally not do, like take out the trash, read a book to a sibling, or start homework without being told to. I think this would have a lasting impression on them.

We also discussed Lenten promises during religion. We talked about Lent not only being about giving something up but, it could also mean working on something that is normally hard for them to do. This could be at school, home, or with friends.
