

February 1, 2010

Dear Parents,

It was great seeing you yesterday at our open house. We continue to celebrate Catholic Schools Week with many different activities.

St. Pius School policy says that late work lowers the grade by 10% for everyday that the work is late. I believe that third graders are too young to understand or care that work is marked down 10%. So in addition to having 10% taken off, any missing work will be completed at recess and if more time is needed lunch.

Our field trip is approaching. Due to the number of tickets we were able to get, we are limited on space. Drivers will be selected on how many students they are able to drive. Notices will go home at the end of this week, letting you know if you are driving. If you do not receive a notice, you will be first on the list for our next field trip.

Valentine's Day is approaching and the children are allowed to write valentines. They are not to send candy or toys with the cards. If your child chooses to pass out valentines, each child must receive one. I have sent home a class list to help with writing the cards.

The students and I have filled out the February calendar. Please note that items will be added throughout the month.
