

February 8, 2010

Dear Parent,

Thank you for the wonderful gift card to a nail salon that you gave me for Teacher Appreciation Day. It was very thoughtful and greatly appreciated.

I was able to get more tickets for our field trip next Tuesday. Therefore, I will be pairing up chaperones. Since we will be returning around 12:30, your child can still order pizza.

Our Valentine's Day celebration is Friday, February 12. Please remember that students are only permitted to exchange cards. Anything other than cards will be sent back home at the end of the day. Please make sure that if your child makes cards, every student receives one.
