Dear Parent,

The class has been very busy working on writing. Most students have finished an essay for the Respect Life Essay Contest. We will be starting the PBS KIDS GO! writers contest this week. This is an in class assignment and a permission slip will be coming home. The permission slip must be submitted with the story to PBS.

This week's spelling is Unit 4 review. Please note that the list of words is typed on white paper, not the usual paper from the book.
