

March 29, 2010

Dear Parents,

There is no 8:00 AM Mass on this Thursday, Holy Thursday. I hope, as a family, you will attend the parish Mass of the Last Supper that evening at 7:00 PM.

When we return from Easter Vacation, the students will start the Family Life unit "Growing in Love." Please review and discuss all material that is sent home. This program is based on relationships, family life, and human sexuality. There may also be assignments that you will need to do with your child. Please look for these assignments and their due dates. Lessons on AIDS/HIV will also be taught to the third grade. The scope of these lessons is to understand that God created and loves all people, and to begin developing a sense of moral responsibility for behavior. This unit explains, in simple terms, what the word contagious means, clarifies that the AIDS virus is not caught through students' everyday play, and replaces the myths about AIDS with facts. This is also where I will address healthy eating and dieting with help from a curriculum from the Dairy Council. If you have any questions concerning these areas, please contact me.

Important Dates

Tuesday, March 30- Stations of Cross Test

Inside the Monday Folder

Listed Below is the work that should be in the Monday Folder from **Mrs. Langridge, Miss Costa, and any specialized teacher**. Any work that is not in the folder is missing.
