Dear Parents,

Each year, the third grade class presents a “Wax Museum of Saints.” This is an opportunity for each child to research more about one saint. Directions will be handed out this week and names of the saint chosen are due on Friday, April 30. Please don’t let your child pick a saint that he/she researched last year. The presentation will be held on May 17. More information will follow.

Please note that on last weeks religion test, the students were asked to write the 10 commandments then complete the second part of the test. During the past two weeks, we have discussed what each commandment teaches us. We also discussed that the questions were asking what the commandments teach us not what they are. Points were taken off for not answering appropriately.
