Dear Parents,

For Grandparents'/Special Friends' Day, each student makes a scrapbook to share with his/ her guest.

I have sent home scrapbooks for Grandparents'/Special Friends' Day. Directions are in the white envelope and were explained to the students today. I also had samples on display for them to look at. Please complete the book and return it by Monday, May 3<sup>rd</sup>. It would be helpful if the completed scrapbook was returned in the white envelope.

The students were also able to explore a fun new program to reinforce math skills. It is call Mathletics. This is an on-line program where students compete against other students around the world on math facts. This program also has concept review which I can assign and students would be responsible to complete at home. Each child will come home with a password tomorrow.

Part of the third grade curriculum from the Archdiocese is to memorize certain prayers. We have been practicing the Apostles' Creed and the students will be tested on this prayer on Thursday.

The Wax Museum is scheduled for Monday, May 17 in Homer Crouse. Your child should dress up like the saint he/she is researching. Please do not go out and buy a costume. A bath robe or bed sheet go a long way. Props may be used but students may not hand anything out to the visitors.

## Important Dates
