

June 1, 2010

Dear Parent,

As the end of the year approaches, I want to thank you for a wonderful year. I enjoyed teaching your child and watching him/her grow this year. I would like to suggest that during the summer you have your child work on multiplication facts.

Please send in a large brown bag by Friday, June 4 for your child to bring home his/her supplies.

Please send back the Monday Folders tomorrow for this week's work. Please note that the math and science tests are not in the folder. We have some make up tests that need to be complete before I can send the tests home.

Important Dates

Friday, June 4- 12:45 Dismissal
