Dear Parent,

Last week, some students were asking why the religion test was not on the September calendar. Because religion and reading tests are scheduled every two weeks, I do not put them on the calendar. I am sorry if this caused any confusion.

Also, when returning notes or items for the office, it is important that you do not send them back in the Monday Folder. There are times when I do not check the folders until the next day. Just send them in separately.

A calendar will be filled out tomorrow with important October dates. Please do not remove this from the organizer. Information will be added throughout the month.

The students are finishing up the chapter about Biomes in America and an at home project will be sent home soon. Please check the organizer under science for this. If you have any questions, please feel free to contact me.

Important Dates

Wednesday, September 30 – Social Studies Test- Unit 1 Lesson 2
