

October 17, 2011

Dear Parent,

When you look through your child's Monday Folder today, please note that there will be stray binder paper. These sheets were used to show work while doing the math packets. We are working on lining up the place value using a bigger area to work. Papers will not all be sent home at once. The students are working at their own pace.

On Tuesday there will be a math test. The test will be on addition and subtraction. This is an area that we have been working on since last year. Please note that on this test, points will be taken off if answers are not labeled when needed to be.

I am sorry for so much confusion in regards to the papers that have to be signed. As stated at Back to School Night, not all the tests will be stamped with a *Parent Signature* stamp but what tests should be signed will be listed below on

Please also check your child's uniform. It looks like many students have gone through a growth spurt. Many jumpers and skorts are becoming too short. Also, please check the length of your child's hair. For the boys- the hair must be above the collar and above the ears.

Important Dates

Tuesday, October 18- Math Test- Addition and Subtraction

Thursday, October 19- Religion Test- Chapter 7

Inside the Monday Folder

Listed Below is the work that should be in the Monday Folder From **Mrs. Langridge, Miss Costa, and any specialized teacher**. Any work that is not in the folder is missing and will lose 10% each day (up to five days) it is not turned in.

- Spelling- pretest corrections p. 27-28, 29-30, test
- English-quiz- **Please sign and return**
- Reading- picture vocab
- Science- test- **Please sign and return**

Thank you for all your cooperation,

Mrs. Langridge
