Dear Parent,

- The Christmas Program is Thursday night. Please have your child meet in Fitzsimmon Center at 6:45 PM.
- This is a reminder that the third grade is leading the Advent Prayer Service on Friday at 12:00 PM. All are welcome to attend.
- The January calendar will be posted on the website. This is a tentative schedule and dates could change.
- As discussed at Back to School Night, erasable pens may be used after Christmas vacation.
- This would be a great time to replenish school supplies like glue sticks, markers and crayons.
- Inside the Monday Folder is a math quiz. The students were given the opportunity to correct this quiz in class. Each correction was worth $\frac{1}{2}$ a point . The original score is in pink and the averaged score is in green.
- The students are also working on multiplication sheets. Since each student is different, they are working on these at their own pace. Once a student finishes it and no corrections are needed, I will send it home. **It will not be listed below since not all papers are going home at the same time.**
- When the students get back from Christmas vacation, they will no longer be able to use the multiplication table to help with math problems. Please help your child study and not take a break from this important skill. I would suggest setting aside ten minutes everyday to practice math facts.
