

February 6, 2012

Dear Parent,

Thank you for the wonderful iPod Nano that you gave me on Teacher Appreciation Day. It was very thoughtful and greatly appreciated. Mrs. Clare also loved her gift card. She thanks you as well.

The students wrote wonderful sentences on what game they played on Family Game Night. I loved reading them and was happy to see that everyone had such a great time.

This Friday the students will meet in school families to make valentine's for Meals on Wheels. In the newsletter Student Council asked each grade to bring in an item to help decorate the cards. The third grade has been assigned jewels. If you have not already sent them in, please do so by Friday.

Our Valentine's Day celebration is Tuesday, February 14. Please remember that students are only permitted to exchange cards. Anything other than cards will be sent back home at the end of the day. Please make sure that if your child gives cards, every student receives one.

Important Dates

Thursday- Math Test- Topic 11

Inside the Monday Folder

Listed below is the work that should be in the Monday Folder from **Ms. Langridge, Miss Costa, and any specialized teacher**. Any work that is not in the folder is missing.

- Spelling – pretest corrections, p. 87-88, 89-90, test*
- English – p. 69, 70-71
- Math –p. 125-126, 129-130, 131-132
- Handwriting- p. 89-90, 91-92
- Reading- picture vocab, test- **Please sign and return**
- Science- test-**Please sign and return**

* If your child scored a 100% on the spelling pretest, there will not be a spelling test in the folder.

Thank you for all your cooperation,

Mrs. Langridge
