

September 26, 2011

Dear Parent,

Today we finished up the IOWA testing.

When returning notes or items for the office, it is important that you do not send them back in the Monday Folder. There are times when I do not check the folders until the next day. Just send them in separately.

A calendar will be filled out tomorrow with important October dates. Please do not remove this from the organizer. Information will be added throughout the month.

The students are finishing up the chapter about Biomes in America and a home project will be sent home soon. Please check the organizer under science for this. If you have any questions, please feel free to contact me.

As talked about at Back to School Night, the students will be reading to me and I will be able to access their fluency rate. Please note that if your child is not at a certain target goal, one-minute readers will be sent home for you to practice with your child.

Important Dates

Tuesday, September 27- Math Test- Rounding- Topic 2
Wednesday, September 28 – Social Studies Test- Unit 1
