

October 22, 2007

Dear Parent,

- Thank you very much for the gift card for my birthday. It was very thoughtful.
- This week is Drug awareness week and the third grade will be learning the Decide program about drugs.
- There is some confusion on what permission slip needs to be returned for Jump Rope for Heart. If you are sending the white paper back, you are not signing permission for your child to jump. That is the newspaper release. Please sign the permission slip attached to the collection envelope.
- This week is the Third Grade charity drive. We are selling passes to wear a hat on Thursday. The money collected will go to children living with cancer.
- Please note that inside the social studies book, I grade the questions written in the text book which you do not see. Have your child bring home the book if you wish to see the questions.

## Important Dates

Thursday, October 25- Biome Project Due

Thursday, October 25- Hats On Day!

Friday, October 26- "Put a Slip on Drugs"

Tuesday, October 30- Science Test- Chapter 5
