Dear Parents,

I hope everyone had a great Christmas and a Happy New Year!

I received a gift without a card. It was an adorable potholder with brownie mix inside. Could you please let me know if you sent this in as I would like to send you a thank you note.

In math, the class is finishing up measurement. There is a test next Tuesday. After the test, the students will start memorizing multiplication facts. Flashcards will be made in class and taken home so you can practice with your child nightly. Time tests will also be given. The January calendar is posted on the website. Please keep in mind that dates may change on the calendar.
