

April 21, 2008

Dear Parents,

I have sent home scrapbooks for Grandparents'/Special Friends' Day. Directions are in the white envelope and were explained to the students today. I also had samples on display for them to look at. Please complete the book and return it by Friday, May 2. It would be helpful if the completed scrapbook was returned in the white envelope.

Due to the short week, the spelling test and computer/library are on Thursday. If you are scheduled for library and cannot make it on Thursday from 9:15-10:15, please let me know as soon as possible.

Important Dates
